NEW PARTNERSHIP WITH MEASUREMENT WORLD EXHIBITION WITH THE INTERNATIONAL MEASUREMENT ECOSYSTEM PRESENTING HIGH-LEVEL TECHNOLOGIES

92%

% SATISFACTION GOOD OR VERY GOOD

"I noticed a great progress, and a vibrant energy What a succes ! Bravo"

Participant Agri-Food sector (France)

The 2019 topics were quite relevant often new and in line with recent metrology evolution"

Participant metrology laboratory (France)

"The event proved again to be the best opportunity anywhere in the world to bring together the users of Measurement and the national and international bodies that promote its development and dissemination."

Participant - Independant expert (United-Kingdom)
